Unit 15 Kenai

Unit 15: that portion of the Kenai Peninsula and adjacent islands draining into the Gulf of Alaska, Cook Inlet, and Turnagain Arm from Gore Point to the point where longitude line 150°00' W. crosses the coast line of Chickaloon Bay in Turnagain Arm, including that area lying west of longitude 150°00'W. to the mouth of the Russian River, thence southerly along the Chugach National Forest boundary to the upper end of Upper Russian Lake; and including the drainages into Upper Russian Lake west of the Chugach National Forest boundary;

Unit 15A: that portion north of the north bank of the Kenai River and the north shore of Skilak Lake;

Unit 15B: that portion south of the north bank of the Kenai River and the north shore of Skilak Lake, and north of the north bank of the Kasilof River, the north shore of Tustumena Lake, Glacier Creek, and Tustumena Glacier;

Unit 15C: the remainder of Unit 15. State restricted areas in Unit 15:

Skilak Loop Management Area - bounded by a line beginning at the easternmost junction of the Sterling Highway and the Skilak Loop Road (Mile 58), then due south to the south bank of the Kenai River, then southerly along the south bank of the Kenai River to its confluence with Skilak Lake, then westerly along the north shore of Skilak Lake to Lower Skilak Lake campground, then northerly along the Lower Skilak Lake campground road and the Skilak Loop Road to its westernmost junction with the Sterling Highway (Mile 75.1), then easterly along the Sterling Highway to the point of beginning, is closed to hunting and trapping except that small game may be taken from October 1 through March 1 by bow and arrow only and moose by permit only.

2 Kenai Controlled Use Area - Unit 15A north of the Sterling Highway. The area is closed during moose hunting season to the use of aircraft for hunting moose, including transportation of moose hunters, their hunting gear, and/or moose parts. However, this does not apply after 12:01 a.m. September 11 and does not apply to transportation of a moose hunter or moose parts by aircraft to or from a publicly owned airport in the controlled use area.

3 Lower Kenai Controlled Use Area - the area is closed to anyone using a motorized vehicle (except an aircraft or boat) for moose hunting, including the transportation of moose hunters, their hunting gear, and/or parts of moose, from September 11-14, and

September 17-20. However, this does not apply to the use of a motorized vehicle on a state or borough maintained highway or on graveled portions of Oilwell, Brody and Tustumena Lake roads, or driveways used for direct access to a primary residence or business.

4 Kenai Moose Research Center Closed Area - that area within the outer boundary fences of the Kenai Moose Research Center, located west and south of Coyote and Vixen Lakes is **closed to all hunting.**

Trussian River Closed Area - the area within 150 yards, and including the river, from the outlet of Lower Russian Lake downstream to the Russian River/Kenai River confluence, then continuing downstream 700 yards along the bank of the Kenai River, is closed to hunting for the months of June and July.

6 Anchor River/Fritz Creek - restricted to offroad vehicles less than 1,000 pounds dry weight on designated trails only, however off road vehicles less than 1000 pounds dry weight may be used to retrieve downed animals during lawful hunting seasons. The use of snow machines and ORV's is authorized on designated trails and all lands within the Anchor River Fritz Creek Critical Habitat Area from Nov 1 through Mar 31 when sufficient snow cover or sufficient ground frost is present to prevent damage to vegetation.

7 Fox River Flats - restricted to offroad vehicles less than 1,000 lbs. dryweight on designated trails only.

species / bag limits	Hunts are open to both residents and nonresidents unless noted.	permit/ticket required*	open season		
DIALK DUAL 1 9	27 for bear information and salvage requirements. ex must remain naturally attached to the hide.				
Unit 15: Two bears per regulatory year. One bear	·		,		
 See pages 24-27 for additional bear hunting information. Nonresident hunters must be accompanied by a guide. Evidence of sex must remain naturally attached to the hide. 					
	vears, by permit available in person in Homer,	RB160	Oct 15-Oct 31
